PETS SCENTS HERBAL SHAMPOO

NATURE'S WAY INSECT SPRAY

A GARLIC AND VINEGAR BASED FORMULA. Helps provide a natural flea protection for pets with all the medical benefits of both garlic and vinegar. The pleasant tasting liquid is reasonably priced and easy to use. Everyone will appreciate the results you get from just pennies a day. It takes only one tablespoon per quart in drinking water or one teaspoon or less, can be added to the pets food, daily, or can use in both. Cannot be overdosed, but is not necessary to give more than recommended.

**BENEFITS OF VINEGAR**

Vinegar is packed with essential amino acids, helpful vitamins, minerals and enzymes. (Over 90 nutrients in all). Vinegar helps calm nausea, aid digestion, kills infections, helps relieve sore muscles and arthritis pain and improves overall health.

**BENEFITS OF GARLIC**

Called "Natures Antibiotic", garlic contains over 200 vitamins, minerals, amino acids and enzymes. It is very healthy, but also repels fleas, most ticks, mosquitoes, lice, mites, and flies. Helps maintain a healthy heart, is good for the skin and fur. Has a cleansing quality that works in the liver to help break down toxins in the blood.

16oz., 32oz., 64oz. and 128oz. sizes

This pleasant smelling herbal shampoo contains Tea Tree Oil (Melaleuca) and Eucalyptus Oil which are considered to be both antiseptic and antibiotic. This aids in healing insect bites and cuts.
