

OTHER ACCOMMODATIONS

The Critter Cottage also has grooming and boarding available!

Our caring, loving, staff on site are more than happy to accommodate and provide special care for your pet whether it be a certain feeding schedule or medications that need to be given. We have large, fenced in yards for the dogs to frequent. Also available is a "playroom" for the smaller more social dogs to stay. For cats, we have an open cattery, where each cat gets time to spend outside of the condo, one at a time, to roam and get some time to stretch out and be a cat.

We also have both dog and cat grooming available! Please inquire for details about either of these services.
